

Service Plus Agreement

With the Service Plus Agreement you can increase the performance and efficiency of your machine. The agreement ensures your machine is serviced at regular intervals by qualified Weinig service technicians.

Advantages

- Inspection of the machine / line by a Weinig service technician
- Reduced hourly rate of currently 65,-- Euro for working and travelling time
- The reduced hourly rate also applies for all further repairs within one year.
- Invoice according to the real time required, no fixed charges
- Reasonable travelling costs by optimized route scheduling
- Reducing costs by assisting the Weinig service technician
- Positive effect on the conservation of value and the resale value of the machine with a full service history
